### **TRAVELLING BOOK COMPETITION AUTHOR PROFILE**

#### **100 Women Who Changed The World (2018)**

This book narrates the biographies of 100 famous women from history, who contributed to improving the world and breaking down the barriers of the time in relation to the role of women.

This book is written by Sandra Elmert and illustrated by Sonia González.

It tells you all about the most-read female writer is, the first female programmer in history, the inventor of the technology that enabled the creation of the internet, as well as the contributions of female scientists.

The work includes the stories of scientists, such as Marie Curie; philosophers, such as María Zambrano; politicians, such as Clara Campoamor; painters, such as Frida Kahlo; and writers, such as Agatha Christie and Rosalía de Castro. Intelligent and courageous women who contributed to improving our world and the role of women in it.
